# **Mission**

## **Reopening Committee**

The mission for this committee is to create a feasible and flexible plan for students and staff that facilitates a reopening of the physical CTS in the Fall 2020 that adheres to relevant guidance. The committee is likewise tasked to plan for other related contingency plans including staff/students who do not return in person and rolling closures.

# Goals

## Reopening Committee

1. Safety and health of staff and students
2. Education

# Meals

For days students are at school

Breakfast:

- Bag breakfast in the classroom

Lunch:

- Bag lunch to take home
-

## **Meals**

For days students are at home

We anticipate guidance to come from the State regarding providing breakfast and lunch meals for students on days they are not in the building. We anticipate setting up delivery system as was done in the Spring.
