

CGS Family Partnership, Inc.

The Care Management Organization for Cumberland, Gloucester and Salem Counties.

CGS Mission

- Our mission is to maintain the children and youth we serve safely at home, in school, and in their communities by providing support, education, and advocacy; and connecting our young people to appropriate services and resources.

Who Does CGS Serve?

- Children and youth between the ages of 5-21 years old. Children under 5 are given special consideration
- Utilizing the Wraparound Approach, we serve children and youth with emotional and behavioral challenges, intellectual disabilities, and substance abuse challenges

Care Manager's Role

- Engage youth and families in youth centered, family focused and culturally significant ways
- Ensure each family's voice is heard and they are full decision makers in charge of planning their own care
- Develop a Family Crisis Plan to address the youth's immediate safety and behavior concerns to prevent a crisis.
- Facilitate Individualized Service Plan development with the family's natural support system and system partners i.e. DCPP, Educators, Probation, Family Support Organization, etc
- Monitor progress and evaluate effectiveness of Individual Service Plans

Wraparound Approach

- A team based collaborative approach to service support and planning for children and youth with complex emotional and behavioral challenges and their families
- Teams are comprised of the child/youth, parents/caregivers, relatives, friends, community members, mental health professionals , educators and other helpers

Outcomes for Youth & Families

- Improved emotional and behavioral stability for our youth
- Youth can remain in their community
- Reduced length of stay in residential treatment
- Reduced psychiatric hospitalizations and readmissions
- Improved ability for caregivers to provide a stable living environment for their family
- Improved educational performance and overall social functioning for our youth
- Reduced legal involvement
