A. Waiver

1. The school district may seek, in the prebudget year, a waiver of the requirements of N.J.A.C. 6A:23A-5.3 upon demonstration that for the subsequent school year:
 - a. The district projects, based on reliable evidence, that it will have forty or fewer Medicaid eligible classified students; or
 - b. The district demonstrates that efforts to participate in SEMI would not provide a cost benefit to the district, based on the projection of the district's available SEMI reimbursement for the budget year as set forth in N.J.A.C. 6A:23A-5.3 (c) and B. below.
2. The application for a waiver of the requirements of N.J.A.C. 6A:23A-5.3 shall be made to the Executive County Superintendent no less than forty-five days prior to the submission of the district's proposed budget for the school year to which the waiver request applies. The Executive County Superintendent shall notify the district of the decision on the waiver application within twenty days of receipt of the waiver request. If the waiver is not granted, the district shall submit a SEMI action plan to the Executive County Superintendent as required by N.J.A.C. 6A:23A-5.3(f) as part of its annual school district budget submission or demonstrate to the Executive County Superintendent the district has achieved maximum participation in the SEMI program in the prebudget year.

B. Projection of Available SEMI Reimbursement

1. As part of the annual budget information, the New Jersey Department of Education shall provide the school district with a projection of available SEMI reimbursement for the budget year, as determined by the State Department of Treasury's third party administrator for SEMI. The projection shall be based on the following:

REGULATION

COMMERCIAL TOWNSHIP BOARD OF EDUCATION

R 6111/page 2 of 5

Special Education Medicaid Initiative (SEMI) Program

- a. Number of Medicaid eligible students;
 - b. Assumption of twenty services per eligible students per year;
 - c. One IEP meeting per eligible student per year; and
 - d. Applicable SEMI reimbursement rates.
2. Beginning with the 2009-2010 school year, the school district shall recognize as revenue in its annual school district budget no less than ninety percent of the projection of available SEMI reimbursement. The district may seek approval from the Executive County Superintendent to use its own projection of SEMI reimbursement upon demonstration that the numbers it used in calculating the projection are more accurate than the projection provided.
- C. SEMI Program Requirements
1. The school district shall strive to achieve maximum participation in the SEMI program. "Maximum participation" means obtaining a ninety percent return rate of parental consent forms for all SEMI eligible students. Districts shall enter all students following their evaluations into the third-party system to identify the district's universe of eligible students. This can be done without parental consent.
 2. Districts participating in the SEMI reimbursement program shall comply with program requirements as follows:
 - a. The school district shall implement Policy and Regulation 6111 concerning the effective and efficient administration of the SEMI reimbursement program consistent with the requirements of N.J.A.C. 6A:23A-5.3.
 - b. Any service submitted to Medicaid for reimbursement shall be rendered by a Medicaid qualified practitioner, or rendered by a provider under the supervision of a Medicaid qualified practitioner. The following outlines the required documentation for each related service provider:
 - (1) Nurses – copy of license (DOE certification is not required for SEMI);
 - (2) Occupational Therapist – copy of license and DOE certification;

- (3) Physical Therapist – copy of license and DOE certification;
 - (4) Psychologist – copy of DOE certification;
 - (5) Social Worker – copy of DOE certification; and
 - (6) Speech Therapist – copy of DOE certification and American Speech-Language-Hearing Association (ASHA) Certification or Copy of DOE certification and past or present license (on or after January 1, 1993); or copy of DOE certification and documentation that the equivalent educational requirements and work experience necessary for ASHA certification have been met.
3. Practitioners who are not Medicaid qualified can deliver services under the direction of Medicaid qualified practitioners. These include certified occupational therapist assistants (COTAs), physical therapist assistants (PTAs) and speech correctionists.
4. Any direct therapy or other related service shall be prescribed in the related services section of the student's IEP prior to submitting a claim to Medicaid for reimbursement. Delivery of nursing services and dispensing of medication must be referenced in the IEP and supported by physicians' orders or prescriptions. These documents must be maintained on file. The supporting documentation to be maintained by the school district shall be the cover/signature page, related services section of the IEP, therapy logs, and the evaluations and assessments conducted by the Medicaid-qualified practitioners.
5. Entities where the school district has placed SEMI eligible students shall take steps to enable school districts to maximize participation, including either logging the eligible services provided directly through the vendor or the sending school district, as mutually agreed upon with the school district, and obtaining SEMI provider qualification certifications. Every out-of-district placement must provide copies of SEMI provider qualifications, certifications and licenses. This provision applies to the following out-of-district placement options:
 - a. Approved private schools for students with disabilities;
 - b. Educational services commissions;
 - c. Jointure commissions;
 - d. Vocational half-time programs;
 - e. Department of Education Regional Day Schools; and

A school district that has less than ninety percent participation of SEMI eligible students in the prebudget year or that has failed to comply with all program requirements set forth in C. above shall submit a SEMI action plan to the Executive County Superintendent for review and approval as part of the school district's proposed budget submission.
2. The SEMI action plan shall include the following components:
 - a. Procedures for obtaining parental consent forms including the Parental Consent Best Practices which are available from the New Jersey Department of Education.
 - b. Establishment of a benchmark for the 2008-2009 school year or for the first year the district does not have an approved waiver pursuant to the provisions of N.J.A.C. 6A:23A-5.3(b), whichever is applicable, for obtaining maximum participation of all SEMI eligible students by the start of the subsequent school year:
 - (1) The benchmarks for the 2008-2009 school year or for the first year that the district does not have an approved waiver pursuant to N.J.A.C. 6A:23A-5.3(b), whichever is applicable, for achieving maximum participation shall at a minimum close the gap between current participation and maximum participation by fifty percent by the beginning of the subsequent school year; and
 - (2) The benchmarks shall be based on the percentage of parental consent forms collected from eligible students. The number of parental consent forms shall reflect one parental consent form for each eligible student. This should include documentation of parental refusal to give consent.

R 6112 REIMBURSEMENT OF FEDERAL AND OTHER GRANT EXPENDITURES

The State of New Jersey and school districts must assure certain Federal and other grant funds have been, or will be, spent within a minimal amount of time after having been drawn from the Federal government. In accordance with this requirement, the New Jersey Department of Education (NJDOE) has implemented a reimbursement request system of payment for grant awards. The procedures outlined in this Regulation are to be followed by school districts in submitting reimbursement requests. Reimbursement requests for entitlement grant awards under the Every Student Succeeds Act (ESSA), the Individuals with Disabilities Education Act (IDEA), the Carl D. Perkins Career and Technical Education Improvement Act of 2006, and any other program designated by the NJDOE shall be made using the NJDOE's Electronic Web-Enabled Grant (EWEG) System.

A. Definitions

1. "Cost objective" means a function, organizational subdivision, contract, grant, or other activity for which cost data are needed and for which costs are incurred.
2. "Grant" means an award of financial assistance by the Federal government to the State of New Jersey, Department of Education or funds NJDOE receives from the State legislature to be awarded to eligible subgrantees.
3. "Grantee" means the State of New Jersey, Department of Education, to which a grant is awarded by the Federal government.
4. "Subgrant" means an award of financial assistance to an eligible subgrantee, in this case, awards by the State of New Jersey, Department of Education to local education agencies or other eligible entities.
5. "Subgrantee" means the local education agency or other legal entity to which a subgrant is awarded and which is accountable to the State of New Jersey, Department of Education for the use of funds provided.

B. Procedures

1. Functionality

- a. The School Business Administrator/Board Secretary or designee will submit reimbursement requests using the payment functionality of the EWEG system.
- b. The payment functionality is enabled upon final NJDOE approval of the subgrant application through the EWEG system.

2. Submission of Reimbursement Requests

- a. The School Business Administrator/Board Secretary or designee will make reimbursement requests for individual titles and awards. Therefore, reimbursement requests for ESSA will be made for each individual title. Reimbursement requests for IDEA must be made separately for Basic and Preschool as well as for the Perkins Secondary and Perkins Post-Secondary grant funds. Only one reimbursement request per month may be submitted for an individual title, award, or subgrant.
- b. Reimbursement requests may only be for expenditures that have already occurred or will occur within three business days of receipt of funds. The following examples are based upon the schedule in Section C. below.
 - (1) The school has ordered and received supplies and has paid the vendor. The school may request reimbursement.
 - (2) The school has ordered and received equipment but has not yet paid the vendor. The school expects payment to be made on the seventh of the following month, following the monthly Board meeting. The school may request reimbursement since the school will make payment within three business days of receipt of funds.

- (3) The school makes salary payments on the first and fifteenth day of each month. In a given month, the school may request reimbursement for payroll expenditures actually made during the month and for the payroll scheduled for the first day of the following month because the school will make payroll expenditure within three business days of receiving the funds. The school may not request reimbursement in anticipation of subsequent pay dates, that is, those occurring more than three business days after receiving funds.
 - (4) The school is responsible for payment of health benefits to its provider on a quarterly basis. The subgrantee may request reimbursement prospectively if payment to the provider will be made within three business days of receipt of funds. If payment to the provider is made at the end of the month; however, the school must request reimbursement during the month following payment.
 - (5) The school is responsible for reimbursing the State of New Jersey for pension and social security payments made on behalf of employees paid with Federal funds. For members of the Teachers' Pension and Annuity Fund (TPAF), school districts shall reimburse the State no later than November. The request for reimbursement for pension and social security contributions for members of TPAF should be made at the time the school will make payment to the State. For members of the Public Employees Retirement System or other State pension systems, the school should request reimbursement at the time payments are due to the State for pension contributions and to the Internal Revenue Service for Social Security contributions. The school should not include fringe benefit calculations in their regular salary reimbursement requests.
- c. The submission of a reimbursement request constitutes a certification by the School Business Administrator/Board Secretary that the school has previously made the appropriate expenditures and/or will make the expenditures within three business days of receipt of funds. The submission of a reimbursement request also constitutes a certification that the expenditures are allowable and appropriate to the cost objective(s) of the subgrant.

- d. Reimbursement requests must be in accordance with approved grant applications.
 - (1) The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if a new budget category for which no funds were previously budgeted or approved has been created.
 - (2) The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if cumulative transfers among expenditure categories exceed ten percent of the total award. The Superintendent or designee is responsible for monitoring the cumulative ten percent level of fiscal change.

C. Processing Timelines

1. Reimbursement requests may be submitted at any time after the subgrant has received final NJDOE approval. No more than one reimbursement request may be submitted per month for any one subgrant.
2. Reimbursement requests submitted at least ten business days before the end of the month but no later than the fifteenth day of the month will be reviewed and, if approved, processed for payment the first business day of the following month. School districts will normally receive payment by the fifth business day of the month and will be able to track the grant's payment history in EWEG through the payments link of the grant application.

D. Content of Reimbursement Requests

1. Reimbursement requests must contain a brief description of the expenditures for which reimbursement is being requested. Individual line items need not be detailed.
 - a. Example - \$8,750 is being requested in the 100 function code. The description is "salaries and instructional supplies."
2. Expenditures must be supported by documentation at the school level. This documentation should not be submitted to the NJDOE with a reimbursement request. The Superintendent or designee is responsible to maintain supporting documentation for seven years and for making it available to the NJDOE, the United States Department of Education, and/or their authorized representatives upon request.

3. Documentation for salary expenditures is subject to the requirements of the Federal Uniform Grant Guidance. Documentation for all other expenditures must include evidence that the expenditures are allowable costs and of the relationship of the expenditure to the subgrant's cost objectives.
- E. Review and Approval of Reimbursement Requests
1. NJDOE staff will review reimbursement requests to determine that they meet the subgrant's criteria, including but not limited to the following:
 - a. Adequate description of the expenditures is provided;
 - b. No new budget category has been created; and
 - c. The reimbursement request does not exceed the allowable threshold for an amendment as a result of cumulative transfers among expenditure categories.
 2. When a reimbursement request is approved or denied, the school will receive an email notification through the EWEG system.
 3. Approval of a reimbursement request by NJDOE does not imply approval of the expenditures as allowable or appropriate to the subgrant's cost objectives. Approval of expenditures will continue to be processed through the final report. The School Business Administrator/Board Secretary or designee assumes responsibility for assuring that all funds requested through the EWEG system either have already been expended, or will be expended within three business days of receipt of funds.

1. Bids will be opened by the School Business Administrator/Board Secretary, in the presence of one or more witnesses, at the time and place advertised.
 2. The Board will award and sign a contract or reject all bids in accordance with N.J.S.A. 18A:18A-36 and within the time as may be specified in the invitation to bid, but in no case more than sixty days, except that the bids of any bidders who consent may, at the request of the Board, be held for consideration for such longer period as may be agreed.
 3. The Board will award the contract to the lowest responsible bidder or will reject all bids. If all bids are rejected, the Board will readvertise or purchase under a state contract.
 4. The Board reserves the right to reject any bid and may waive technical deficiencies in an otherwise acceptable bid when such waiver is in the public interest.
 5. No contract or order awarded by the Board shall be sublet or assigned without the written consent of the School Business Administrator/Board Secretary.
 6. The successful bidder may be required in the bid specifications and upon award of the contract to furnish a surety or performance bond issued by a responsible surety company authorized to transact business in New Jersey, for 100% of the total contract price, insuring faithful performance of the contract. The bond, pursuant to N.J.S.A. 18A:18A-23 and 24, shall be payable to the Board and the cost of the bond is to be included in the bid.
 7. The bidder's failure to perform his or her contract with the Board in accordance with the bid accepted by the Board or failure to meet performance bond requirements may result in forfeiture of the bidder's deposit as liquidated damages and not as a penalty.

8. Every bidder is assumed to be acquainted with all the information necessary for the submission of an informed and responsible bid. A successful bidder will be responsible for any errors in his or her proposal resulting from the bidder's failure or neglect to obtain information and forecast costs. The Board will not be responsible for any change in anticipated profits resulting from such failure or neglect.
9. When a contractor fails to perform the terms of the contract promptly, the Board shall give written notice of default. If the contractor fails to cure the default within the time permitted by the notice, the Board may terminate the contract and, at the expense of the contractor or the surety, complete the contract or cause the contract to be completed.

F. Bidder Disqualification

1. The Board may, by resolution approved by a majority of the Board, and pursuant to N.J.S.A. 18A:18A-4 disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the Board finds that it has had prior negative experience with the bidder.
 - a. As used in this section, "prior negative experience" means any of the following:
 - (1) The bidder has been found, through either court adjudication, arbitration, mediation, or other contractually stipulated alternate dispute resolution mechanism, to have: failed to provide or perform goods or services; or failed to complete the contract in a timely manner; or otherwise performed unsatisfactorily under a prior contract with the Board;
 - (2) The bidder defaulted on a contract, thereby requiring the Board to utilize the services of another contractor to provide the goods or perform the services or to correct or complete the contract;
 - (3) The bidder defaulted on a contract, thereby requiring the Board to look to the bidder's surety for completion of the contract or tender of the costs of completion; or

- (4) The bidder is debarred or suspended from contracting with any of the agencies or departments of the executive branch of the State of New Jersey at the time of the contract award, whether or not the action was based on experience with the Board.
- b. The following conditions apply if the Board is contemplating a disqualification based on prior negative experience:
- (1) The existence of any of the indicators of prior negative experience set forth in this section shall not require that a bidder be disqualified. In each instance, the decision to disqualify shall be made within the discretion of the Board and shall be rendered in the best interests of the Board.
 - (2) All mitigating factors shall be considered in determining the seriousness of the prior negative experience and in deciding whether disqualification is warranted.
 - (3) The bidder shall be furnished by the Board with a written notice:
 - (a) Stating that a disqualification is being considered;
 - (b) Setting forth the reason for the disqualification; and
 - (c) Indicating that the bidder shall be accorded an opportunity for a hearing before the Board if the bidder so requests within a stated period of time. At the hearing, the bidder shall show good cause why the bidder should not be disqualified by presenting documents and testimony. If the Board determines that good cause has not been shown by the bidder, it may vote to find the bidder lacking in responsibility and, thus, disqualified.
 - (4) Disqualification shall be for a reasonable, defined period of time which shall not exceed five years.
 - (5) A disqualification, other than a disqualification pursuant to which a Board is prohibited by law from entering into a contract with a bidder, may be voided or the period thereof may be reduced, in the discretion of the Board, upon the submission of a good faith

application under oath, supported by documentary evidence, setting forth substantial and appropriate grounds for the granting of relief, such as reversal of a judgment, or actual change of ownership, management or control of the bidder.

- (6) An opportunity for a hearing need not be offered to a bidder whose disqualification is based on its suspension or debarment by an agency or department of the executive branch of the State of New Jersey. The term of such a disqualification shall be concurrent with the term of the suspension or debarment by the State agency or department.

4. Evaluation of Requests for Proposals
- a. The purchasing agent will evaluate all proposals only in accordance with the methodology described in the request for proposals. - a. No bids have been received on both occasions in response to the advertisement, or
- b. The Board has rejected such bids on two occasions because it has determined that they are not reasonable as to price, on the basis of cost estimates prepared for or by the prior to the advertising therefor, or have not been independently arrived at in open competition, or
- c. On one occasion no bids were received pursuant to a. above and on one occasion all bids were rejected pursuant to b. above, in whatever sequence; any such contract may then be negotiated and may be awarded upon adoption of a resolution by a two-thirds affirmative vote of the authorized membership of the Board authorizing such a contract; provided, however, that:
 - (1) A reasonable effort is first made by the Board to determine that the same or equivalent goods or services, at a cost which is lower than the negotiated price, are not available from an agency or authority of the United States, the State of New Jersey or of the county in which the Board is located, or any municipality in close proximity to the Board;
 - (2) The terms, conditions, restrictions and specifications set forth in the negotiated contract are not substantially different from those which were the subject of competitive bidding pursuant to N.J.S.A. 18A:18A-4; and
 - (3) Any minor amendment or modification of any of the terms, conditions, restrictions and specifications which were the subject of competitive bidding pursuant to N.J.S.A. 18A:18A-4 shall be stated in the resolution awarding the contract; provided further, however, that if on the second occasion the bids received are rejected as unreasonable as to price, the Board will notify each responsible bidder submitting bids on the second occasion of its intention to negotiate, and afford each bidder a reasonable opportunity to negotiate, but the Board shall not award such contract unless the negotiated price is lower than the lowest rejected bid price submitted on the second occasion by a responsible bidder, is the lowest negotiated price offered by any responsible vendor, and is a reasonable price for such goods or services.

3. Whenever the Board determines that a bid was not arrived at independently in open competition pursuant to subsection c.(2) of N.J.S.A. 18A:18A-5, it shall thereupon notify the county prosecutor of the county in which the Board is located and the Attorney General of the facts upon which its determination is based, and when appropriate, it may institute appropriate proceedings in any State or Federal court of competent jurisdiction for a violation of any State or Federal antitrust law or laws relating to the unlawful restraint of trade.
 4. The Board has solicited and received at least three quotations on materials, supplies or equipment for which a State contract has been issued pursuant to N.J.S.A. 18A:18A-10, and the lowest responsible quotation is at least 10% less than the price the Board would be charged for the identical materials, supplies or equipment, in the same quantities, under the State contract. Any such contract will be entered into in accordance with N.J.S.A. 18A:18A-5.e. and may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the Board at a meeting thereof authorizing such a contract or agreement.

The award shall be made to a vendor whose response is most advantageous, price and other factors considered. The purchasing agent shall retain the record of the quotation solicitation and shall include a copy of the record with the voucher used to pay the vendor.
 2. When in excess of the bid threshold, and after documented effort by the purchasing agent to secure competitive quotations, a contract for extraordinary unspecifiable services may be awarded when the purchasing agent has determined in writing that solicitation of competitive quotations is impracticable. Any such contract shall be awarded by resolution of the Board.

3. Whenever two or more responses to a request of a purchasing agent offer equal prices and are the lowest responsible bids or proposals, the Board may award the contract to the vendor whose response, in the discretion of the Board, is the most advantageous, price and other factors considered. In such a case, the award resolution or purchase order documentation shall explain why the vendor selected is the most advantageous.
- F. Requisitions
1. A requisition for goods and/or services may be originated by any school district employee who perceives a need for such goods and/or services.

 - (4) Withdrawals from the reserve shall require the approval of the Commissioner unless the withdrawal is necessary to meet an increase in total health care costs in excess of four percent, for which the district did not receive an automatic adjustment for health care costs pursuant to N.J.A.C. 6A:23A-11.4. Total health care costs include medical insurance and prescription drug insurance costs.
