

Club 21

Summer 2022

Summer is a great time to be at Commercial Township School. We have well-trained, friendly, and dedicated staff members who are ready to make Summer Club 21 exciting!

The Club 21 program has been offering unique and exciting programs that allow students to learn, meet new friends, and have a fun, relaxing summer. We are partnering with community organizations such as 4-H, Cumberland County College, and Young Audience to bring new and exciting programs. Through this partnership, students will explore programs involving photography, culinary, STEM, dancing, music, and community service. Students will also participate in photography classes, team building activities, kayaking/canoeing, cooking, and arts & crafts. We take day trips to places such as Strathmere Beach, Shaws Mill Pond, and Union Lake.

This program is for Gr. 6 and Gr. 7 students. *A few Gr. 8 students will attend as student leaders.*

- Monday - Thursday
