

Math Matters in the Kitchen Summer 2022

Gr. 2 & 3

- July 5 - 29
- Monday through Thursday
- 11:15 - 1:00

This summer your student can improve their math skills through lessons, games, and fun food activities. We will be learning math facts and fractions through hands-on activities that students can eat! The program is run by Mrs. Clark, our math support teacher. Transportation and meals are provided, and there is no cost to families.

Students who sign up for *Painting Panthers* Art Camp have a full schedule from 9:00 to 1:00 with lunch and outdoor play time between the two programs.

Gr. 4 & 5

- July 5 - 29
- Monday through Thursday
- 9:00 - 10:45

This summer your student can improve their math skills through lessons, games, and fun food activities. We will be learning math facts and fractions through hands-on activities that students can eat! The program is run by Mrs. Clark, our math support teacher. Transportation and meals are provided, and there is no cost to families.

Students who sign up for *Commercial Crafters* Art Camp have a full schedule from 9:00 to 1:00 with lunch and outdoor play time between the two programs.
